

Factory of Fear Rules

At Factory of Fear, your safety and well-being are our number one priority. The following rules and policies have been put in place to ensure that every guest, every actor, and every crew member has a frightful, yet safe experience.

- Factory of Fear is not recommended for children under 14. All children under 16 must be accompanied by an adult and all children must have a liability waiver signed by a parent or guardian. In addition to large crowds, you may encounter loud music and loud sounds. This event is not intended for young children.
- No alcohol or drugs are permitted on site at the ARTfactory.
- No strollers are permitted in the Factory of Fear.
- No rowdy behavior is allowed, and you will be asked to leave the premises.
- No pets except service animals as defined by the ADA are allowed. Emotional support, comfort, or therapy animals are prohibited.
- No touching, attaching, or harming any Factory of Fear actor under any circumstances. Violators will immediately be removed from the attraction and appropriate authorities will be notified.
- No costumes or masks are allowed at the Factory of Fear.

If you violate any of the Factory of Fear rules, you may be turned over to the police and be removed from the Factory of Fear without a refund.

Participation in Factory of Fear carries with it certain inherent risks that cannot be eliminated regardless of the care taken to avoid injuries. You will be exposed to many special effects including strobe lights, compressed air blasts, loud noises, extremely low visibility, periods of complete darkness, claustrophobic tunnels, and other effects.

Participation may cause you to suffer certain injuries ranging from minor injuries such as scratches and sprains to major injuries such as an eye injury or loss of sight, joint or back injuries, heart attacks and concussions to (3) catastrophic injuries including paralysis and death.

Many activities are not accessible by wheelchair, stroller, or crutches. You should not participate if you are pregnant, intoxicated, suffer from claustrophobia or anxiety, are prone to seizures, dizziness, motion sickness, heart, back/neck or respiratory problems or other physical ailments, which may be aggravated by Factory of Fear activities. Consult with your doctor prior to entering Factory of Fear.
